**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a loyal customer with Sonic for many years and truly rely on the excellent services they provide as well as the outstanding respect they have for their customers.

I believe that what USTelecom is trying to do is egregious and needs to be stopped immediately.

Price hikes that will increase the cost of internet and telephone service, which I also have, would be an additional offense.
